

Western New England University

CPE 422/522 Internet of Things (IoT)

Fall 2019

Final Exam

HONOR CODE AFFIRMATION

I understand that I must follow the Honor Code and adhere to university and course academic conduct for taking exams and/or homework assignments.

Instructions for taking CPE 422/522 exam

Discussion of exam content or solution with classmates is not allowed.

Discussion of exam content or solution with any internal or external entity is not allowed.

Collaboration of any form with any classmate or any other entity is not allowed.

Exam is open textbook, open notes, open Internet.

The use of calculators is allowed.

The only person I can discuss the exam with is the instructor. All questions and inquiries must be directed to the instructor.

I declare that I have followed the Honor Code and obeyed all rules for taking exams and performing homework assignments as specified by the course instructor.

I understand that university academic misconduct procedures will be initiated if any of above regulations are violated. I understand that academic misconduct is grounds for expulsion from the university.
